■ Shout-Outs & Such

Shout to EVERYBODY for stepping up and doing the hard work that is necessary in this #bluenormal. “A teacher who is selfless to [his] students is above all wealth.” (P.S. Jagadeesh Kumar)

– *Steve Foreman*

Thank you to the incredible staff and administration at ZMS for going above and beyond. We ARE in this together, and appreciate you!

– *ZMS Staff*

Shout-out and thanks to all of those who helped during Technology Roll-Out, and a special mention to the Tech Staff: Austin Rutter, who worked 10-plus-hour days tirelessly the past two weeks for ZHS; to Jim Hardesty, Marvin Phillips, and Paul Elswick, who worked many hours getting the elementary schools ready; and to Aaron Henthorne, for getting Zanesville Middle School ready. Without their extra hours and time to get all of these devices ready to go home, this would not have happened. They are to be commended for their hard work for pulling this off.

– *Jacob Fisher*

Welcome to all of our new teachers at ZHS!

– *ZHS Administration*

A HUGE shout-out to Michelle Neal! Thanks for all your help with Google this year. Love your Tech Tuesday!
